STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of

any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this

contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00,

whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment

opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES.

In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Omnibus Procurement Act of 1992 requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS.

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded

the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:
<http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not

limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

Exhibit B

AFFIRMATIVE ACTION/EQUAL EMPLOYMENT OPPORTUNITY/ NON-DISCRIMINATION POLICY

Executive Order No. 6, regarding equal employment opportunities, states: "It is the policy of the State of New York that equal opportunity be assured in the State's personnel system and affirmative action provided in its administration, in accordance with the requirements of the State's Human Rights Law and the mandates of Title VII of the Federal Civil Rights Act, as amended. Accordingly, it is the responsibility of the State's Department of Civil Service to enforce the State's policy of ensuring full and equal opportunity for minorities, women, persons with disabilities and Vietnam era veterans at all occupational levels of State government." In keeping with this policy, the Board mandates compliance internally and for all organizations with which we conduct business.

This compliance includes all Federal and State laws, mandates, rules and regulations that seek to ensure full and equal opportunity for minorities, women, persons with disabilities and Vietnam era veterans and applies to all occupational levels of an organization's structure, including any groups hired as subcontractors.

Revision to existing subparagraph (2) to Part 542.1(d) of Article 15-A of the New York State Executive Law, (page 13 of the EEO regulations) states that all contractors doing business with the State of New York must submit an Equal Employment Opportunity Policy Statement which includes at a minimum, but is not necessarily limited to, the following actions identified in Part 542.1c(3) and any regulations adopted pursuant thereto:

"(i) The contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts.

"(ii) The contractor shall state in all solicitations or advertisements for employees that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

"(iii) At the request of the contracting agency, the contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein."

The determination of contract award will include a review of evidence as supplied by each potential contractor regarding compliance with the aforementioned Affirmative Action/Equal Employment Opportunity/Non-Discrimination policy. Accordingly, bidders' proposals must include compliance with the above policy, and all contractors must agree that all presentations and materials will be free from discrimination based on race, color, religion, sex, national origin, sexual orientation or disability.

Exhibit C

NYS Deferred Compensation Plan Procurement Guidelines

The following guidelines apply to active procurements for services utilized by the New York State Deferred Compensation Plan. They are designed to ensure that procurements are conducted in a fair and open manner. A copy of these guidelines will be given to employees of the New York State Deferred Compensation Board (employees of the Board) and employees of state entities and firms who have been designated by the Deferred Compensation Board to assist in procurements (designees). A copy of these guidelines will also be included in Requests For Proposal (RFPs) distributed to firms that intend to participate in procurements.

Violation of these guidelines by any employee of the Board may result in disciplinary action. Firms violating these guidelines may be disqualified from participating in procurements and may be subject to such other legal action as may be applicable. Every reasonable effort will be made to ensure compliance with these guidelines, but a minor deviation that does not impair the fairness and integrity of the procurement process will not require the invalidation of a contract award.

1. Employees of the Board and, if applicable, designees, must provide every firm that is interested in participating in a procurement with an equal opportunity to compete. No information may be given to any firm without being made available to all other interested firms. After bid documents (e.g. RFP) have been distributed, interested firms may have an opportunity to submit questions in writing to an individual who has been identified as the designated contact for the procurement (“designated contact”). A copy of all such questions, if applicable, along with written answers will be supplied to all interested firms.
2. The designated contact will be either a payroll employee or contract employee of the Board, or another designee as determined by the Board. The designated contact will coordinate interaction between employees of the Board, designees and employees of interested firms after bid documents have been distributed. Telephone calls, correspondence and requests for meetings must be directed to this individual unless designated otherwise in the bid procedure. The designated contact will be responsible for scheduling meetings with interested firms and will maintain a record of all such meetings.
3. After bid documents have been distributed, firms that intend to submit proposals should not contact any employee of the Board, member of the Deferred Compensation Board or employee of a company that has a business relationship with the Plan, unless the individual to be contacted is the designated contact. An exception to this guideline applies to firms that have a business relationship with either the Board or a related entity. However, any contact made by such firms

with an individual other than the designated contact must be limited to that business and must not be related to an active procurement.

4. Bidders and potential bidders are required to obtain information relating to procurements only from employees of the Deferred Compensation Board or from the designated contact.
5. Interaction between employees of the Board or the designated contact and an interested firm must be made by telephone, in writing or during regular office hours in the office of the Deferred Compensation Board, office of the firm or at a location determined by the designated contact.
6. During the procurement process no lunch, dinner, gifts or entertainment shall be accepted by an employee of the Board from an interested firm, except during a presentation, interview or similar session occurring at the office of the Board, office of an interested firm or at a place determined by the designated contact that includes a working meal.
7. A firm may not exert or attempt to exert any improper influence (as defined below) relating to that firm's proposal.
8. Evaluations of competing proposals will be conducted by an evaluation committee (the evaluation committee) appointed by the Board or a designee of the Board. Evaluations, recommendations and deliberations conducted by such committees shall be based solely on the merits of proposals, free from any improper influence. An "improper influence" means any attempt to achieve preferential, unequal, or favored consideration of a proposal based on considerations other than the merits of the proposal.
9. No employee of the Board, designee or designated contact may disclose the contents of any portion of an RFP to any person not employed by or not designated by the Board unless specifically authorized by an employee of the Board and only if it is determined that such disclosure will not impair the fairness and integrity of the procurement process.
10. The evaluation of competing proposals shall be conducted in accordance with evaluation and selection procedures documented in a procurement file to be established prior to the receipt of written proposals. Evaluation procedures shall be distributed by an employee of the Board or by the designated contact to members of the evaluation committee prior to the distribution of competing proposals to committee members.
11. During the evaluation phase of the procurement process, no employee of the Board or designee may disclose any part of a competing proposal to persons other than fellow committee members, Board members or other persons assigned to assist in the evaluation or selection process.

Revised 5/2011

I. Overview

Chapter 1 of the Laws of 2005 (the “Law”), which amended the Legislative Law (the “Lobbying Act”) and the State Finance Law, was enacted on August 23, 2005 by Governor George E. Pataki. The Law regulates attempts to influence state and local Governmental Entity procurement contracts in order to increase transparency and accountability in New York State’s procurement process. The Law was subsequently modified in 2005, 2006, 2007, 2009 and 2010.

Generally, the Law:

- Makes the lobbying law applicable to attempts to influence procurements and contracts once the procurement process has been commenced by a State agency, unified court system, State legislature, public authority, certain industrial development agencies and local benefit corporations;
- Requires the above-mentioned governmental entities to record all contacts made by lobbyists and contractors about a governmental procurement so that the public knows who is contacting governmental entities about procurements;
- Requires governmental entities to designate the persons who may be contacted relative to the governmental procurement by that entity in a restricted period;
- Authorizes the New York State Commission on Public Integrity (f/n/a the Temporary State Commission on Lobbying [the “Commission”]) to impose fines and penalties against persons/organizations engaging in impermissible contacts about a governmental procurement and provides for the debarment of repeat violators;
- Directs the Office of General Services to disclose and maintain a list of non-responsible bidders pursuant to this new law and those who have been debarred and publish such list on its Web site;
- Requires the timely disclosure of accurate and complete information from offerers with respect to determinations of non-responsibility and debarment;
- Expands the definition of lobbying to include attempts to influence gubernatorial or local Executive Orders, Tribal–State Agreements, and procurement contracts;
- Modifies the governance of the Commission on Lobbying to provide that opinions of the Commission shall be binding only on the person to whom such opinion is rendered;
- Increases the monetary threshold which triggers a lobbyist’s obligations under the Lobbying Act from \$2,000 to \$5,000; and
- Establishes the Advisory Council on Procurement Lobbying.

Exhibit D

New York State Deferred Compensation Board Policy and Guidelines for Implementing the New York State Procurement Lobbying Law Sections 139-j and 139-k of the New York State Finance Law

Primarily, the Law regulates two related aspects of procurements: (i) activities by the lobbying community seeking procurement contracts (through amendments to the Legislative Law) and (ii) activities involving governmental agencies establishing procurement contracts (through amendments to the State Finance Law).

II. Applicability of the Policy and Guidelines (hereinafter “Policy”)

In general, this policy applies to every procurement involving an estimated annualized expenditure in excess of \$15,000 for:

- Commodity;
- Service;
- Technology;
- Public work;
- Construction;
- Revenue contract;
- The purchase, sale or lease of real property; or
- The acquisition or granting of other interest in real property.

Procurements under \$15,000 are not covered by changes to the law or this policy. Contacts between employees of the agency and an Offerer are restricted at the point in time when the agency issues its first written document soliciting a response from Offerers which is intended to result in a procurement contract {See State Finance Law §139-j (1) (f)}. This is referred to as the “Restricted Period” as used in this policy. Contacts between Offerers and the agency prior to the Restricted Period of procurement are acceptable. Therefore, communications between Offerers and the agency during the preparation of specifications, bid documents, RFPs, IFBs, are not governed by State Finance Law Sections 139-j and 139-k. Communications at this stage, however, are governed by the provisions set forth in State Finance Law Sections 163 and 163-a and other applicable law, including registration and reporting requirements of the Lobbying Act.

Offerers and agency personnel may communicate prior to the Restricted Period in the form of a Request for Information (RFI) by the agency and the response thereto by an Offerer. RFIs are generally used as a means to collect information upon which to base a decision by an agency to proceed with procurement. RFIs are not a tool employed to award a contract.

The Law and this policy apply to sole source and single source contracts, in addition to competitive procurements. Amendments authorized under the terms of a contract as it was

Exhibit D

finally awarded or approved by the Comptroller are not subject to the Restricted Period. Supplements to a contract incorporating other amendments, renewals, extensions or any other material change in a contract resulting in a financial benefit to the Offerer are subject to the Restricted Period.

III. Permissible Contacts During the Restricted Period

The “Restricted Period” begins with the earliest written notice, advertisement or solicitation of a request for proposal, invitation for bids, request for services, or solicitation of proposals, or any other method for soliciting a response from Offerers with regard to a procurement opportunity or contract. This period ends with the final procurement decision or contract award and, if applicable, approval by the State Comptroller. However, the negotiation of a contract by an Offerer who has been tentatively awarded a contract is permitted and would need to be recorded as a Contact in the procurement record.

The following represent instances where communication with someone other than the designated Contact person(s) for a procurement may be necessary:

- Submission of a written bid, proposal or response to a solicitation intending to result in a procurement contract;
- Submission of written questions by a method set forth in the solicitation when all written questions and responses are to be provided to all Offerers who have expressed an interest in the solicitation;
- Participation in a conference, demonstration or other means for exchange of information in a setting open to all potential bidders provided for in the solicitation;
- Complaints by an Offerer to office of general counsel of the procuring agency where the designated person for the procurement contract of the agency fails to respond in a timely matter, provided that such written complaints become part of the procurement record;
- Negotiations with the agency after a tentative award;
- Debriefings about a procurement contract award;
- Protests, appeals or other review proceedings to the agency conducting the Governmental Procurement seeking a final administrative determination or in a subsequent judicial proceeding;
- Complaints of alleged improper conduct in a Governmental Procurement to the attorney general, inspector general, district attorney or court of competent jurisdiction;

Exhibit D

New York State Deferred Compensation Board Policy and Guidelines for Implementing the New York State Procurement Lobbying Law Sections 139-j and 139-k of the New York State Finance Law

- Protests, appeals or complaints to the state comptroller during the process of contract approval provided that the state comptroller makes a record of such communications and any responses thereto to keep in the procurement record;
- Communications between Offerers and Governmental Entities that solely address a responsibility determination of the Offerer being made by the agency;
- Communications relating to a Governmental Procurement made by certain preferred source providers except for communications which attempt to influence the issuance or terms of the specifications that serve as the basis for bid documents, requests for proposals, invitations for bids, or solicitations of proposals, or any other method for soliciting a response from Offerers intending to result in a procurement contract with a Governmental Entity; and
- Communications from the agency exercising an oversight role in a Governmental Procurement with Offerers regarding the status of the review, oversight or approval of that Governmental Procurement.

Impermissible contact with the agency occurs when the Offerer contacts a person in the agency who is not the designated contact person for the procurement in an attempt to influence a procurement. The obligations under the law and this policy are activated when an Offerer or anyone working on behalf of the Offerer has any oral, written, or electronic communication with the agency that a reasonable person would believe is intended to influence a procurement being made by the agency.

IV. Agency Requirements

This policy has certain requirements that apply to the agency, while other requirements apply to Offerers. The agency will collect certain information about a person or organization contacting us about a procurement in an attempt to influence such procurement during the Restricted Period. In addition, the agency will obtain information from Offerers about any findings by any Governmental Entity of non-responsibility made within the previous four years and if the finding of non-responsibility was due to (1) engaging in impermissible contacts with a Governmental Entity or (2) the intentional provision of false or incomplete information to a Governmental Entity.

This information will be solicited in the initial bid documents on forms developed for this purpose. If any employee of our agency is contacted, that employee must record the contact, obtaining the following specific information for each contact:

Exhibit D

New York State Deferred Compensation Board Policy and Guidelines for Implementing the New York State Procurement Lobbying Law Sections 139-j and 139-k of the New York State Finance Law

- Name of Person and Organization
- Address
- Telephone Number
- Place of Principal Employment
- Occupation
- Record whether the person/organization making the contact was the Offerer or was retained, employed or designated by, or on behalf of the Offerer to appear before or contact the agency regarding the procurement.

These records of contact will be included in the procurement record for the procurement contract using the agency's "Record of Contact" form, and must be forwarded to the Contract Manager in the agency's Administration Unit.

It is the policy of the agency to make a determination of responsibility before awarding a procurement contract to an Offerer. In addition to responsibility factors such as financial and organizational capacity, legal authority, integrity, and past performance, this policy requires us to take into consideration any violation of the permissible contact requirements of State Finance Law Section 139-j and the disclosure requirements of State Finance Law Section 139-k. A determination of non-responsibility will be made if it is found that the Offerer knowingly and willfully made an impermissible contact or failed to timely disclose accurate and complete information or otherwise cooperate in providing the information required by State Finance Law Section 139-k.

This agency is precluded from awarding a procurement contract to an Offerer that has been determined to be non-responsible because of a knowing and willful violation of the prohibitions of State Finance Law Section 139-j against impermissible contacts during the Restricted Period unless the agency finds that an award is necessary to protect public property or public health safety, and that the Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe. An Article of Procurement is defined as a commodity, service, technology, public work, construction, revenue contract, purchase, sale or lease of real property or an acquisition or granting of other interest in real property, that is the subject of a Governmental Procurement.

Furthermore, if an Offerer has a second knowing and willful violation within four years of a previous determination of non-responsibility, the Offerer can be debarred for four years.

Communications received by the agency from legislative staff or members of the State Legislature when those persons are acting in their official capacity are not considered

Exhibit D

New York State Deferred Compensation Board Policy and Guidelines for Implementing the New York State Procurement Lobbying Law Sections 139-j and 139-k of the New York State Finance Law

“Contacts” during the Restricted Period and thus do not have to be recorded pursuant to the State Finance Law. Also, communications that a reasonable person would infer are not intended to influence a procurement by the agency do not have to be recorded.

For purposes of this policy, the agency will include a record of contacts about a particular procurement and determination of non-responsibility (if any) in the procurement file where it will remain as a part of the procurement record. The procurement file will be retained for that period of time already designated under the agency’s Records Retention Policy currently six (6) years after the expiration of the related contract or final payment, whichever is later.

V. Offerers Requirements and Responsibilities

Offerers have certain requirements under the State Finance Law and under this policy if they, or their designated representative choose to respond to a Request for Proposals or attempt to influence a procurement. Under the Law and this policy, an Offerer or his/her representative is generally prohibited from contacting anyone other than the designated contact persons at this agency with regard to a procurement during the Restricted Period. Offerers are also required to disclose whether there has been a finding of non-responsibility with regard to their compliance under the law within the past four years. Furthermore, an Offerer must affirm that they understand and agree to comply with this policy relating to permissible contacts during a procurement and certify that all information provided to the agency is complete, true and accurate.

If an Offerer is found to have engaged in impermissible contacts with this agency, the Offerer will be denied a contract under this policy. However, this denial does not preclude the agency from awarding such Offerer another procurement contract if this non-responsibility determination is the first such determination against the Offeror in four years.

VI. Violations of This Policy

Alleged violations of this policy will be reviewed by the agency’s Ethics Officer. The Ethics Officer shall immediately investigate the allegation and if sufficient cause exists to believe that the allegation is true, the Ethics Officer shall give the Offerer reasonable notice that the investigation is ongoing and an opportunity to be heard. The Offerer’s response to the alleged violation will become a part of the investigative or review record and will be given due consideration by the agency during the review or investigation.
