

Questions and Answers
Adult Education Basics Training Programs RFS
Issued March 19, 2014

1. Would you please provide a range of current contracted rates for the existing AEB contracts. And may we use the electronic forms for ADM 30, ADM 28 and ADM 311 from two years ago? And if not could you make these forms available as separate Word files?

ANSWER: The range of daily rates for vendors who currently have AEB contracts is \$588 - \$1,450. Forms from two years ago may not be used. An electronic version of ADM-30 is not available. Electronic versions of ADM-28 and ADM-311 are available on the GOER website at <http://www.goer.ny.gov/Forms/index.cfm>.

2. I had a quick question on the above referenced (CR # 2002119) contract request. It is the same contract that I submitted in January for the Training Boutique, LLC. Will awards be made from earlier submissions for this contract, is it being re-issued for different agencies under the GOER umbrella or is it being re-issued because no one was found amongst the bidders that submitted in January etc... ?

ANSWER: The Contract Reporter notice you are referencing is for the Request for Services (RFS) issued for Adult Education Basics Training. This is different from the Job Skills RFS that was issued December 9, 2013. Contract awards for the Job Skills RFS are pending. Separate contract awards will be issued for the Adult Education Basics RFS.
